## PROFILE

An award winning, hard-working energetic journalist, producer and teacher with over twenty-eight years of experience managing and training a complete range of journalists, that include reporters, freelancers, photojournalists, editors, and engineers. I enjoy teaching aspiring journalists and online creators, the skills they will need to succeed in this challenging new world of Multi-Media Content creations. I also enjoy giving back to HBCU programs that gave so much to me.

## EXPERIENCE

### ADJUNCT PROFESSOR, TEXAS SOUTHERN UNIVERSITY, .

- Taught TV Production, Lighting for Film and Video, Videography, Digital Effects for Film and Video, and Producing Media for the Web and Beyond.
- Worked with students and staff to produce content for the Democratic debate and the Monterey Jazz Festival with TSU partnership.
